Re: The ProImmune Company, LLC v Holista Colltech Ltd. et al.
Docket No.: 7:20-cv-1247(KMK)
Subject: APPLICATION TO EXTEND TIME TO FILE MOTIONS
FOR SUMMARY JUDGMENT

Dear Judge Karas,

The undersigned is the attorney for defendant Holista Colltech Ltd (“Defendant” or “Holista”). On consent of Plaintiff, I make this letter application for a one week extension from the May 31, 2021 deadline for each party to file their respective summary judgment motions.

Defense counsel would benefit from the additional week and this is the first request for the relief sought. For the foregoing reasons, the parties respectfully seek leave to amend their initial summary judgment briefing schedule to the following:

- Plaintiff and Defendant shall file their initial summary judgment motion papers on or before June 7, 2021;
- Any opposition to the other’s motion papers shall be filed on or before July 8, 2021; and,

- Any reply papers in further support of either party's motion shall be filed on or before July 31, 2021.

We thank the Court for its consideration.

Respectfully submitted,
